COVID-19: Let's have a safe and successful Bank Holiday weekend

With a busy, and hopefully profitable, weekend on the cards, hospitality businesses in particular can play their part in keeping staff, customers and the community safe. Carrying out a coronavirus risk assessment continues to be a legal requirement for all businesses, employers and event organisers and they need to take reasonable measures to minimise the risk of exposure to, and spread of, coronavirus. Particular attention should be paid to:

‣ Social distancing, particularly in busy areas
‣ Good ventilation
‣ Good hand hygiene

Guidance on preparing a risk assessment is here:

https://gov.wales/public-premises-and-workplace-covid-19-risk-assessment

Reasonable measures action cards, recently published by the Welsh Government, are essential reading to carry out a coronavirus risk assessment. To read the action cards go to:
