

# Annual Report 2017/18

Councillor Dilwyn Lloyd

Talysarn Ward

**Independent**

The purpose of the report is to help constituents know more about the work and activities of their elected members during the year

[This link leads](#) to the Council's website, which shows the details of the committees and outside bodies on which I serve, as well as my attendance record.

## Main Electoral and Community Activities

- Providing a bilingual newsletter for constituents in my ward that informs the community of my activities.
- Assisting constituents, either via telephone calls, emails, letters or visits to my home.
- Support constituents with various problems in the ward, also matters that cause problems to the whole community such as illegal tipping, lack of bus services, potholes, problems with wall insulation, bedroom tax, immigration issues, crime and disorder
- Raising funds for the area's charities, especially the Wales Air Ambulance by organising calendars and this year Prostrate Cancer Wales.

**There is an opportunity here to give an explanation about meetings/events that you did not succeed in attending (optional):**

Sometimes the Planning Committee is at the same time as the Fire Authority meetings - therefore I have to give priority to the Planning Committee as a member of that committee.
