Ward - Abersoch

Gwynedd and Anglesey Joint Local Development Plan

Economy Section – employment, retail and tourist

ID 367 Cllr R. H. Wyn Williams    Observation Number 1392    Session 6

Please find attached a map of Abersoch – retail area outlined in purple. However, this designates one area only; there are many other retail areas outlined in red. Could you ensure that the new Plan records these areas with a boundary in order to ensure that we keep to these areas only in the New Plan; this would ensure that these areas are neater within the Plan.
