Dear Ms Davies,

### **Gwynedd and Môn Joint Local Development Plan Examination**

Thank you for submitting your timetable of additional documents to be submitted for the examination of the Joint Local Development Plan. In the absence of the Programme Officer, the Inspector has asked me to confirm that the revised timetable is acceptable.

You should make arrangements so that the submitted documents, in addition to this letter, are published onto your Examination website.

Yours sincerely,

*I Gwilym*
