Appendix 1

Table of Representations on JLDP MAC changes issued 26 January 2017

Specific changes to policy sought by Horizon in those representations are highlighted in red in the “Proposed Changes Column” as well as Appendix 2 and 3 (and 4 in the alternative) which propose specific amendments to Chapter 3; Chapter 7 and Policies PS9; PS9A; PS9B and PS9C.

NMC	Summary of NMC and Horizon Commentary	Proposed Changes
NMC22	<p>Summary: Object - The NPS text in paragraphs 3.7-3.9 has been deleted on the basis that this information is provided in Chapter 7.3.</p> <p>Commentary: The NPS text in paragraphs 3.7 – 3.9 was tailored to the importance of Wylfa Newydd and clearly sets out the DCO process (using Wylfa as an example). It introduces the Project up front as an NSIP and refers to the Wylfa site. Although this information is partially found throughout 7.3, it is not as clearly set out and therefore would not meet the “Is the Plan appropriate?” on the basis that it needs to be clear and ensure that the rationale behind the plan should be demonstrated.</p> <p>Chapter 3 is titled policy context (national, regional and local). it is logical therefore that the general information regarding the consenting framework for NSIPs following enactment of the Wales Act 2017 means that it is appropriate to retain this information up front so as to enable readers to understand national regime around DCOs, of which the NPS forms an important part.</p> <p>The importance of the Wylfa Newydd Project indicates it too should be mentioned in this context upfront, albeit it is agreed that the detail should appear in chapter 7.</p>	<p>The Wales Act 2017 obtained Royal Assent on 31 January 2017 and has made changes to the application of the Planning Act 2008 regime in Wales.</p> <p>This represents a fundamental shift in the consenting strategy for Wylfa Newydd and associated development and should be clearly introduced early in the JLDP, along with an explanation of the consenting framework for NSIPs and how that interacts with the local plan.</p> <p>See Appendix 2 for detailed proposed amendments.</p>
NMC28	<p>Summary: Object - Reference to a new 2017 SPG</p> <p>Commentary: The revised drafting assumes that the 2017 SPG will be in place when the JLDP becomes operative. we understand that will not be the case</p>	<p>The Councils clarified at Hearing Session 9 of the EiP that it is intended that the Wylfa SPG will be in place on adoption of the JLDP.</p>
