Diffiniadau

Plentyn dibynnol
Mae plentyn dibynnol yn unigolyn rhwng 0 a 15 oed mewn aelwyd (p'un a yw hynny mewn teulu ai peidio) neu'n unigolyn rhwng 16 a 18 oed mewn addysg amser llawn sy'n byw mewn teulu gyda'i riant neu ei rieni. Nid yw'n cynnwys unrhyw blentyn sydd â phriod, partner neu blentyn yn byw yn yr aelwyd.

Gweithiwr cyflogedig (Yn gweithio)
Nodir bod unigolyn rhwng 16 a 74 oed yn gyflogedig (neu'n gweithio) os oedd, yn yr wythnos cyn y cyfrifiad, yn gwneud un awr o waith â thâl o leiaf, naill ai fel gweithiwr cyflogedig neu'n hunangyflogedig.

Mae hyn yn cynnwys gwaith achlysurol neu dros dro, ar gynllun hyfforddi a noddir gan y llywodaeth, yn gweithio am dâl neu'n ddi-dâl i'ch busnes eich hun neu i fusnes eich teulu, bod i ffwrdd o'r gwaith yn sâl, ar gyfnod mamolaeth, ar wyliau neu fod unigolyn wedi'i gadw dros dro o'i waith.

Gwaith llawn amser
Diffinnir gwaith llawn amser fel gweithio 31 awr neu fwy yr wythnos. Mae hyn yn gymwys i nifer yr oriau y gwnaeth unigolyn rhwng 16 a 74 oed a oedd mewn cyflogaeth yn yr wythnos cyn y cyfrifiad weithio yn ei brif swydd, ac mae'n cynnwys goramser â thâl a goramser di-dâl.

Definitions

Dependent child
A dependent child is a person aged 0 – 15 in a household (whether or not in a family) or aged 16 – 18 in full-time education and living in a family with his or her parent(s). It does not include any children who have a spouse, partner or child living in the household.

Employed (In employment)
A person aged 16 to 74 is defined as employed (or in employment) if in the week before the census they carried out at least one hour's paid work, either as an employee or self-employed.

This includes casual or temporary work, on a government-sponsored training scheme, doing paid or unpaid work for their own or family business, being away from work ill, on maternity leave, or on holiday or temporarily laid off.

Full-time working
Working full-time is defined as working 31 hours or more per week. This applies to the number of hours a person aged 16 to 74 in employment in the week before the census worked in their main job, and includes paid and unpaid overtime.

Household

Diffinnir aeolwyd fel un person sy'n byw ar ei ben ei hun neu grŵp o bobl (nad ydynt o reidrwydd yn perthyn i'w gilydd) sy'n byw yn yr un cyfeiriad ac sy'n rhannu cyfleusterau coginio ac ystafell fyw neu lolfa neu le bwyta.

Rhaid i aelwyd gynnwys o leiaf un person sy'n byw fel arfer yn y cyfeiriad. Nid yw grŵp o breswylwyr byrdymor sy'n cyd-fyw â'i gilydd na grŵp o bobl mewn cyfeiriad lle mai dim ond ymwelwyr sy'n aros yn cael eu cyfrif fel aelwyd.

Teulu un rhiant

Mae teulu un rhiant yn cynnwys tad neu fam gyda'i blentyn(phlentyn) neu ei blant(phlant) lle nad oes gan y rhiant gymar, partner sifil o'r un rhyw na phartner yn yr aelwyd ac nid oes gan y plentyn(plant) gymar, partner sifil o'r un rhyw na phlentyn yn yr aelwyd. Ystyrir bod neiniau neu deidiau unigol gyda'u hwyrion hefyd yn deulu un rhiant os nad oes unrhyw blant yn y genedlaeth yn y canol yn yr aelwyd (noder y gall plant y nain neu'r taid hefyd fod yn bresennol os nad ydynt yn rhieni nac yn neiniau a theidiau'r genhedlaeth ieuengaf).

Aelwyd un rhiant

Mae aelwyd un rhiant yn un sy'n cynnwys teulu un rhiant a neb arall. Caiff y diffiniad hwn ei ddefnyddio yn y rhan fwyaf o ganlyniadau o Gyfrifiad 2011.

Mewn nifer fach o ganlyniadau diffinnir aelwyd un rhiant fel aelwyd sy'n cynnwys o leiaf un teulu un rhiant, ond nad yw'n cynnwys unrhyw barau priod, partneriaethau sifil o'r un rhyw na pharau sy'n cyd-fyw. Lle y defnyddir y diffiniad hwn nodir hynny'n glir.

Y di-waith hir dymor

Caiff unigolyn ei ddiffinio fel rhywun sydd wedi bod yn ddi-waith yn yr hir dymor ar adeg Cyfrifiad 2011 os oedd yn ddi-waith ac mai yn 2009 neu'n gynharach y gweithiodd ddiwethaf.

Gwaith rhan amser

Diffinnir gwaith rhan amser fel gweithio 30 awr neu lai yr wythnos. Mae hyn yn gymwys i nifer yr oriau y gwnaeth unigolyn rhwng 16 a 74 oed eu gweithio yn ystod yr wythnos cyn y cyfrifiad yn ei brif swydd, ac mae'n cynnwys goramser â thâl a di-dâl.

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area

A household must contain at least one person whose place of usual residence is at the address. A group of short-term residents living together is not classified as a household, and neither is a group of people at an address where only visitors are staying.

Lone parent family

A lone parent family consists of a father or mother with his or her child(ren) where the parent does not have a spouse, same-sex civil partner or partner in the household and the child(ren) do not have a spouse, same-sex civil partner or child in the household. A lone grandparent with his or her grandchild(ren) are also considered a lone parent family if there are no children in the intervening generation present in the household (note that children of the grandparent may also be present if they are not parents or grandparents of the youngest generation).

Lone parent household

A lone parent household is a household that comprises a lone parent family and no other person. This definition is used in most results from the 2011 Census.

In a small number of results a lone parent household is defined as a household that contains at least one lone parent family, but does not contain any married, same-sex civil partnership or
cohabiting couples. When this definition is used it is clearly indicated.

Long-term unemployed

A person is defined as long-term unemployed at the time of the 2011 Census if they were unemployed and the year they last worked was 2009 or earlier.

Part-time working

Working part-time is defined as working 30 hours or less per week. This applies to the number of hours a person aged 16 to 74 in employment in the week before the census worked in their main job, and includes paid and unpaid overtime.
