

Cyngor Gwynedd's Draft Local Flood Strategy Public Consultation Questionnaire

After you have completed the survey, please place it in the pre-addressed envelope provided and return it to Cyngor Gwynedd either:

- through your local library;
- through your Local Siop Gwynedd;
- or through the Royal Mail (you will not need to place a stamp on the envelope).

If you need help with the questionnaire, call Penrallt reception on (01286 679 426).

The closing date is 5 of May 2024.

Thank you.

The Council wishes to seek the views of the public, risk partners and neighbouring authorities on our draft Local Flood Risk Management Strategy.

Following this public consultation period, the Council will consider the responses and use this to update the Local Flood Risk Management Strategy where necessary. The final Strategy, and accompanying environmental assessments, will be presented to Cabinet for approval before submitting the final documents to Welsh Government for Ministerial approval.

For full details, see the '**Local Flood Risk Management Strategy Draft**', it can be found in the location where you received the questionnaire. It is also available online at www.gwynedd.llyw.cymru/FloodStrategyConsultation. If there is a problem, and you need a copy of the consultation document you can contact us at fcrmu@gwynedd.llyw.cymru or 01286 679 426.

This questionnaire is anonymous. Please do not include information that would reveal your identity or any other individual.

The information you provide when completing this survey will be treated in accordance with the requirements of data protection legislation.

About you

1. Who do you represent when completing this questionnaire?

Choose one of the following answers

An individual

Community Group

Community Council

Public Body

Your work/job

Business

Other:

1.2 Name of the Community Group

1.3 The name of the Community Council

1.4 Name of the Public Body

1.5 Your job title

1.6 Name of the Business

1.1 Full Postcode of your home

(This information will help us understand where in Gwynedd you live)

Local Flood Strategy

2. Do you consider that the Local Strategy does enough to address the effects of climate change in the future?

Strategic Environmental Assessment (SEA)

7. Do you consider that the SEA is comprehensive in terms of the environmental issues discussed?

See Section 4 of the Strategic Environmental Assessment from page 29

Choose one of the following answers

- Yes
- No
- No Opinion

Comments

8. Do you consider there are other environmental impacts that need to be considered when developing the Local Strategy?

Choose one of the following answers

- Yes
- No
- No Opinion

Comments

9. Do you agree with the method that has been used to measure the environmental baseline?

See Sections 4 and 5 of the Strategic Environmental Assessment from page 29

Choose one of the following answers

- Agree
- Disagree
- No Opinion

Comments

10. What is your opinion on the method that has been used to measure the possible environmental effects?

Choose one of the following answers

- Agree
- Disagree
- No Opinion

Comments

11. Do you think that the mitigation measures listed in the SEA are sufficient in order to manage environmental impacts effectively?

See Section 6 of the Strategic Environmental Assessment from page 93

Choose one of the following answers

- Yes
- No
- No Opinion

Comments

12. Please let us know if you have general views or comments on the HRA that are not covered in the questions above.

Habitat Regs Assessment

13. Do you consider that the assessment is comprehensive in terms of the designated sites considered?

See Section 2 of the Habitat Regs Assessment from page 11

Choose one of the following answers

- Yes
- No
- No Opinion

Comments

14. Do you consider that the assessment is comprehensive in terms of the possible ecological effects discussed?

See Section 3 of the Habitat Regs Assessment from page 22

Choose one of the following answers

- Yes

- No
- No Opinion

Comments

15. Do you consider that the mitigation measures listed in the HRA are sufficient to manage harmful effects on designated sites?

See Section 6 of the Habitat Regs Assessment from page 49

Choose one of the following answers

- Yes
- No
- No Opinion

Comments

Choose one of the following answers

- Agree
- Disagree
- No Opinion

Comments

17. Please let us know if you have general views or comments on the SEA that are not covered in the questions above.

Welsh Language and socio-economic impact

What do you think the impact of the strategy would be on the Welsh language, the opportunities to use it and its status within the community?

Dewiswch un o'r atebion canlynol

- Positive effect
- Little positive effect
- Neutral
- Little negative effect
- Significant negative impact

Do you have any comments about your choice above, for example, are there any opportunities to modify what is being offered in order to have a more positive effect on the Welsh language and its use, or to remove any negative effects.

In your opinion, is introducing the Draft Local Flood Strategy likely to have an impact on people facing socio-economic disadvantage?

About you

Answering the following questions will help us ensure we have collected the views of a variety of people and given everyone from all backgrounds a chance to take part. You do not have to answer them.

Any information you provide is strictly confidential. We will not be able to identify you.

The information will only be used for statistical analysis.

If you are completing this survey on behalf of an organisation, do not fill out this section.

Sex

Choose one of the following answers

- Man / Male
- Woman / Female
