## **Gwynedd Active Travel project consultation**

Help to improve walking and cycling routes in your local area in Gwynedd.

Gwynedd Council has issued a press release reminding the public that it would like to hear their views and thoughts on how cycling and walking provision can be improved as they shape plans to improve towns and villages in Gwynedd, and make them better places to live, work and visit. The Gwynedd Active Travel project focuses on 12 towns in Gwynedd – Bangor, Y Felinheli, Bethesda, Caernarfon, Pwllheli, Porthmadog, Tremadog, Blaenau Ffestiniog, Bala, Dolgellau, Barmouth and Tywyn. These locations were chosen because they contain facilities such as schools, leisure centres, local shopping districts and transport interchanges which people travel short distances to regularly.
