### DISCRETIONARY HOUSING PAYMENTS (DHP) APPLICATION FORM

You can get Discretionary Housing Payments if we think that you need extra help with your Housing Costs. Any payment awarded is in addition to any Housing Benefit / Housing Element of Universal Credit that has been awarded to you, **but you must be either receiving Housing Benefit or the Housing Element of Universal Credit before we can consider if you need more help with your housing costs**.

## What are Housing Costs?

Housing costs are usually rental payments, but can also include rent in advance, deposits, and other lump sum costs associated with a housing need such as removal costs.

### The following items are not covered by Discretionary Housing Payments:

- ineligible service charges (e.g. charges for fuel, hot water or meals),
- · increases in rent due to outstanding rent arrears, and
- certain sanctions and reductions in benefit.

## How to apply for Discretionary Housing Payment

You will need to fill in this application form and return it to us as soon as possible. We will write to you if we need any supporting evidence regarding your circumstances and income and expenditure.
