

**Derbyniodd Cyngor Gwynedd 68 ymateb
i'r Cyfnod Ymgynghori Statudol ar y
cynnig i ad-drefnu ysgolion
yn Nalgylch Y Bangor
10 Ebrill – 22 Mai 2018**

**Gwynedd Council received 68 responses
to the Statutory Consultation Period on the
proposal to re-organise schools
in the Bangor Catchment Area
10 April – 22 May 2018**

I would like to point out two errors first of all in the consultation document. The school is a bilingual school not a Welsh medium school. The most recent inspection was in 2017, not 2011 and the school received five judgements of "Good". There was no Estyn follow up.

Comments:

As a professional childcare practitioner I welcome the proposal of the new plans, as long as the individual child's needs are carefully considered. I also believe that staff from the existing Ysgol Y Gornedd will automatically continue their employment in the new building - is this fair? (I am referring to option 3 + option 10).
As a resident living in the immediate area, I am concerned about what will happen to Ysgol Babenod when closed, and I request that as residents we will be kept updated, and we hope that the community will be informed about the post-use policy. Diddh.

Sylwadau:

Firstly, I believe that the project is a positive one for the local area, and in the long term will be a success.

However, I have some reservations: (see over)

Sylwadau:

① STAFFING

As the school is being bagged up as a "New Garneddol", my understanding is that all current Garneddol staff have an automatic 'right' to their job, whereas staff in the other affected schools would need to apply for any surplus jobs. I disagree with this for the following reasons:

- a) Fairness - I believe that all staff should be treated equally, either all getting a job, or all required to apply for the available positions.
- b) Continuity - The children who are moving schools would benefit from being around the staff members that they have come to know and trust ~~and~~ over the years (especially one to one staff).
- c) Quality - The staff in the Garneddol school are not necessarily better than those in the schools proposed for closure, despite what Estyn reports suggest! By ensuring that all staff have an equal opportunity for the jobs, this would ensure that the skills across all schools are retained for the benefit of the pupils.

② BRANDING - For the reasons above, I don't feel that the "New Garneddol" branding is good as it could create resentment amongst staff and pupils of the current Garneddol having to share their school with outsiders. It would be better to call the school by something completely new, as that in reality is what it is - a new school. Representation from all schools is needed for Governors, staff (above) as it will be for pupils.

③ TRAFFIC - This is obviously an important issue, where the facts have not yet been established. Penrhos road is already extremely busy at peak times, and this proposal will only exaggerate this situation.

Comments:

As a staff member of both Ysgol Glanadda and Babanod Coedmaur for 8 years, and having been a pupil at Gwnedd, I am both anxious and excited about the new proposal.

The new Gwnedd site plans look absolutely amazing, and would seem to provide a fantastic space for education and learning.

Response Form

Proposal for the re-organisation of schools in the Bangor catchment area
in accordance with section 48 of the School Standards and Organisation Act 2013

Comments:

I am however anxious about staffing situations. Having been told the closure of Coedmaur and Glanadda will result in job losses and redundancies is horrible, whilst Gwreidd will not suffer any staffing issues. We are now a de-moralised workforce with people already looking for more permanent posts, worried about what will happen in the next 2 years. This should be an opportunity for the council to have 'the best of the best' at their disposal, to ensure the best education for the new Gwreidd pupils. Instead, it feels like hardworking individuals will lose out, a move that will ultimately affect the children. A board in the drop in session claims that the move will "ensure appropriate arrangements for the pupils of Coedmaur & Glanadda" however we have been told that even the Additional Learning Support Assistants will ~~lose~~ lose their jobs. Some of these Assistants have been working with a specific child for years. The loss of that constant support and relationship in favour of a new Assistant could be detrimental to some children, and would certainly go against "ensuring appropriate arrangements". After all, it should always be the children that come first.

Sylwadau:

I'n ôl y cynlluniau bydd Ysgol If Gamedd yn berchen y cae ysgol presennol. Os yw hyn yn wir byddai'n rhaid cael toiledau ac adnoddau cynorth cyntaf ar y safle hwnnw. Byddai mynd yn ôl i'r ysgol newydd yn rhy bell.

Gobeithio yn fawr y bydd gan Ysgol If Gamedd gae ysgol ar safle yr ysgol newydd hefyd. Byddai'n rhy bell i blant y babanod er enghraifft gerdded i'r cae ysgol presennol.

Synaf yn fawr o weld y daflen cyllideb (cost fesul dirgybl) sydd yn cael ei harddangos. Gwelaf bod ysgolion eraill yn cael rwy o arian (cost fesul dirgybl) nar Gamedd.

Oni ddylai pob plentyn gael yr un cost fesul dirgybl? Plentyn yw plentyn lle bynnag y bo/pa bynnag ysgol y maen ei mynychu.

Maen bwysig bod maes parcio dynodedig i atrawon a staff ysgol newydd If Gamedd.

Ymateb Estyn i'r cynnig gan Gyngor Gwynedd i:

Gau Ysgol Glanadda ac Ysgol Fabanod Coedmawr ar y 31 Awst 2020, a chynnig lle i'r disgyblion yn Ysgol y Garnedd (yn ddarostyngedig ar ddewis rhieni); a chynyddu capasiti Ysgol y Garnedd i 420.

Paratowyd yr adroddiad hwn gan Arolygwyr Ei Mawrhydi dros Addysg a Hyfforddiant yng Nghymru.

O dan delerau Deddf Safonau a Threfniadaeth Ysgolion (Cymru) 2013 a'i Chod cysylltiedig, mae'n ofynnol i gynigwyr anfon dogfennau ymgynghori i Estyn. Fodd bynnag, nid yw Estyn yn gorff y mae'n ofynnol iddo weithredu yn unol â'r Cod ac nid yw'r Ddeddf yn gosod unrhyw ofynion statudol ar Estyn o ran materion trefniadaeth ysgolion. Felly, fel corff yr ymgynghorir ag ef, bydd Estyn yn rhoi eu barn ar rinweddau cyffredinol cynigion trefniadaeth ysgolion yn unig.

Mae Estyn wedi ystyried yr agweddau addysgol ar y cynnig ac mae wedi llunio'r ymateb canlynol i'r wybodaeth a ddarparwyd gan y cynigiwr, a gwybodaeth ychwanegol arall fel data gan Lywodraeth Cymru a barnau'r Consortia Rhanbarthol sy'n darparu gwasanaethau gwella ysgolion i'r ysgolion yn y cynnig.

Cyflwyniad

Mae'r cynnig ymgynghorol gan Gyngor Gwynedd. Dyma yw'r cynnig:

- Cau Ysgol Glanadda.
- Cau Ysgol Fabanod Coedmawr.
- Cynyddu capasiti Ysgol y Garnedd i 420

Crynodeb/Casgliad

Mae'r cynigiwr wedi darparu cynnig cynhwysfawr, sy'n esbonio yn glir sut mae'r cynnig hwn yn rhan o ad-drefnu sy'n digwydd ar draws dinas Bangor fel rhan o weledigaeth hir dymor Cyngor Gwynedd ar gyfer y dalgyloch. Mae'n esbonio'r achos dros newid yn effeithiol ac mae'n cynnwys gwybodaeth ddefnyddiol fel, cyflwr ac addasrwydd adeiladau'r tair ysgol, adnoddau ariannol a'r goblygiadau ar gyfer arbedion refeniw parhaol, effaith gwahanol opsiynau ar y gymuned, goblygiadau staffio ac ystyriaethau ôl ddefnydd y safleoedd.

Mae Estyn o'r farn fod y cynnig o leiaf yn debygol o gynnal y safonau presennol o ran addysg, darpariaeth ac arweinyddiaeth a rheolaeth.

Disgrifiad a manteision

Mae'r cynigiwr wedi rhoi rhesymwaith clir ar gyfer y cynnig yng nghyd-destun y trefniadau ehangach ar gyfer ad-drefnu darpariaeth addysg dinas Bangor. Mae'r rhesymwaith yn cynnwys cynyddu capasiti rhai ysgolion, cau dwy ysgol, gwella cyflwr ysgolion ac adeiladu adeilad ysgol newydd. Mae'r cynigiwr wedi ymgynghori'n

eang gan gynnwys gwneud trefniadau i sicrhau eu bod yn casglu barn plant a phobl ifanc sy'n mynychu ysgolion y dalgylch.

Wrth benderfynu ar y cynnig hwn, mae'r cynigiwr wedi ystyried yn fanwl deuddeg opsiwn gwahanol ar gyfer ad-drefnu addysg yn ninas Bangor. Mae'r cynigiwr wedi gwerthuso'r opsiynau yn deg yn erbyn manteision ac anfanteision nifer o griteria, yn cynnwys; sicrhau digon o lefydd ar gyfer pob disgybl yn y lleoliad priodol, lleihau llefydd gweigion, lleihau amrediad cost y pen, sicrhau maint addas i ddsbarthiadau, sicrhau nad yw penaethiaid yn treulio nwy na 20% o'u hamser yn addysgu a datblygu defnydd yr ysgol yn y gymuned.

Mae'r cynigiwr wedi nodi rhestr gynhwysfawr o risgiau posibl i lwyddiant y cynnig. Er enghraifft mae'n ystyried risgiau fel diffyg gwneud penderfyniad, amharoddrwydd lleol i gefnogi'r ysgol newydd, ansawdd yr addysg yn y tymor byr a gor-redeg mewn costau contractio. Mae'r awdurdod lleol yn nodi'r effaith a fyddai'r risgiau hyn yn eu cael a champau synhwyrol i liniaru'r risgiau.

Mae'r awdurdod lleol wedi ystyried effaith y cynnig ar drefniadau teithio dysgwyr. Nid ydynt yn rhagweld taith afresymol i unrhyw ddisgybl gan fod y ddwy ysgol a fyddai'n cau o fewn milltir i Ysgol y Garnedd. Nid ydynt yn rhagweld unrhyw gynnydd yng nghostau cludiant yn deillio o weithredu'r opsiwn hwn.

Mae'r cynigiwr wedi ystyried y niferoedd yn y dair ysgol ers 1980, a maent wedi rhagfynegi y niferoedd dros y dair mlynedd nesaf. Mae gan y ddwy ysgol a fyddai'n cau lefydd gweigion, ac mae Ysgol y Garnedd dros gapasiti. Byddai'r cynnig yn sicrhau strwythur a fyddai'n cynnwys un ysgol yn darparu addysg mewn dau ddsbarth ar gyfer pob oedran.

Mae'r cynigiwr wedi rhoi ystyriaeth fanwl iawn i'r effaith ar y Gymraeg drwy ddadansoddi data'r Siarter Iaith yn llawn a thrwy ystyried data cyfrifiad 2011 i edrych ar broffil ieithyddol wardiau Bangor a Pentir. Mae'n anodd darogan yn fanwl gywir unrhyw effaith ar yr iaith Gymraeg, ond mae'n rhesymol i ddisgwyl y bydd y disgyblion newydd o deuluoedd di-Gymraeg yn cael eu dylanwadu gan ddiwylliant Cymreig Ysgol y Garnedd sydd â phrofiad llwyddiannus o hybu a defnyddio'r iaith Gymraeg o fewn yr ysgol. Mae hefyd yn bosibiliad y bydd y cynnydd mewn capasiti yn lleihau'r nifer sydd yn siarad Cymraeg 'bob amser' ar yr iard am gyfnod, ond mae'r cynigiwr yn hyderus y bydd effaith trochi'r plant newydd di-Gymraeg yn cael effaith positif ar yr iaith Gymraeg ar yr iard yn y tymor canol a hir.

Agweddau addysgol ar y cynnig

Mae'r cynigiwr wedi ystyried yn addas y cynnig ar ansawdd y deilliannau, y ddarpariaeth a'r arweinyddiaeth a rheolaeth. Er enghraifft, maent yn nodi'r manteision o ehangu capasiti Ysgol y Garnedd sydd eisoes yn ysgol werdd gydag arweinyddiaeth a ystyrir yn rhagorol. Maent yn argyhoeddedig na fydd y cynnig yn

cael effaith ar ddarpariaeth y cwricwlwm llawn, yn cynnwys y cyfnod sylfaen gan fod yr ysgol eisoes yn darparu addysg yn y cyfnod sylfaen a chyfnod allweddol dau.

Mae'r cynigiwr wedi cwblhau asesiad cydraddoldeb ar gyfer pob opsiwn posibl. Mae'n rhesymol i gredu na fydd y cynnig yn cael effaith negyddol ar y ddarpariaeth a gynigir ar gyfer disgyblion ag anghenion addysgol arbennig, nac ar gyfer grwpiau unigol o ddisgyblion neu unrhyw grŵp â nodweddion gwarchoddedig.

Mae'r cynigiwr wedi ystyried deilliannau adroddiadau mwyaf diweddar Estyn ar gyfer y tair ysgol yn effeithiol. Mae hefyd yn datgan ym mha gategori y mae'r ysgolion wedi eu gosod gan y consortiwm ac mae yna esboniad cryno a chllir o ansawdd yr arweinyddiaeth a'r rheolaeth yn y tair ysgol.

Mae'r cynigiwr wedi darparu tablau yn dangos canran y disgyblion sy'n cyflawni'r deilliant disgwylidiedig yng nghyfnod allweddol 2 ar gyfer Ysgol y Garnedd ac Ysgol Glanadda, a'r cyfnod sylfaen ar gyfer Ysgol Babanod Coedadda. Maent yn dangos ffigurau cyfatebol ar gyfer Gwynedd a Chymru ar gyfer 2017. Serch hynny, nid yw'r cynigiwr wedi darparu dadansoddiad cryno o berfformiad yr ysgolion.

Estyn's response to the proposal by Gwynedd Council to:

Close Ysgol Glanadda and Ysgol Fabanod Coedmawr on 31st August 2020, and offer a place for pupils at Ysgol y Garnedd (subject to parental choice); and increase the capacity of Ysgol y Garnedd to 420.

Under the terms of the School Standards and Organisation (Wales) Act 2013 and its associated Code, proposers are required to send consultation documents to Estyn. However Estyn is not a body which is required to act in accordance with the Code and the Act places no statutory requirements on Estyn in respect of school organisation matters. Therefore as a body being consulted, Estyn will provide their opinion only on the overall merits of school organisation proposals.

Estyn has considered the educational aspects of the proposal and has produced the following response to the information provided by the proposer and other additional information such as data from Welsh Government and the views of the Regional Consortia which deliver school improvement services to the schools within the proposal.

Introduction

This is a consultation proposal by Gwynedd Council. The proposal is as follows:

- Close Ysgol Glanadda
- Close Ysgol Fabanod Coedmawr
- Increase the capacity of Ysgol y Garnedd to 420

Summary/Conclusion

The proposer has provided a comprehensive proposal, which explains clearly how this proposal is part of the re-organisation across the city of Bangor as part of Gwynedd Council's long-term vision for the catchment area. It explains the case for change effectively and includes useful information, such as the condition and suitability of the three schools' buildings, financial resources and the implications for permanent revenue savings, the effect of different options on the community, staffing implications and the considerations for the use of the sites subsequently.

Estyn is of the opinion that the proposal is at least likely to maintain the current standards in terms of education, provision, and leadership and management.

Description and benefits

The proposer has given a clear rationale for the proposal in the context of the wider arrangements for the re-organisation of education provision in the city of Bangor. The rationale includes increasing the capacity of some schools, closing two schools, improving the condition of schools and constructing a new school building. The proposer has consulted widely, including making arrangements to ensure that it has

sought the views of children and young people who attend schools in the catchment area.

When deciding on this proposal, the proposer has considered twelve different options in detail for the re-organisation of education in the city of Bangor. The proposer has evaluated the options fairly against the advantages and disadvantages of a number of criteria, including: ensuring enough places for each pupil at the appropriate setting, reducing the number of surplus places, reducing the cost per pupil range, ensuring suitable class sizes, ensuring that headteachers do not spend more than 20% of their time teaching and developing the use of the school in the community.

The proposer has identified a comprehensive list of possible risks to the success of the proposal. For example, it has considered risks such as the failure to make a decision, local reluctance to support the new school, the quality of education in the short-term and overrun in contracting costs. The local authority identifies the effect these risk would have and sensible steps to mitigate the risks.

The local authority has considered the effect of the proposal on learners' transport arrangements. It does not envisage that any pupil will need to travel an unreasonable distance as the two schools that will close are within a mile of Ysgol y Garnedd. It does not envisage any increase in transport costs following the implementation of this option.

The proposer has considered pupil numbers at the three schools since 1980, and has predicted the numbers over the next three years. The two schools that would close have surplus places, and Ysgol y Garnedd is oversubscribed. The proposal would ensure a structure that would include one school providing education in two classes for each age group.

The proposer has given very detailed consideration to the effect on the Welsh language by analysing Welsh Language Charter data in full and by considering data from the 2011 census to look at the linguistic profile of the Bangor and Pentir wards. It is difficult to predict precisely any effect on the Welsh language, but it is reasonable to expect that new pupils from non-Welsh-speaking families will be influenced by the Welsh culture at Ysgol y Garnedd, which has successful experience of promoting and using the Welsh language within the school. There is also a possibility that the increase in capacity may reduce the number of pupils who speak Welsh 'all of the time' on the playground for a period of time, but the proposer is confident that the effect of immersing new non-Welsh-speaking children in the language will have a positive effect on the Welsh language on the playground in the medium and long term.

Educational aspects of the proposal

The proposer has given suitable consideration to the effect of the proposal on the quality of outcomes, provision, and leadership and management. For example, it has identified the advantages of expanding the capacity of Ysgol y Garnedd, which is already a green school with excellent leadership. It is convinced that the proposal will not have an effect on the provision of the full curriculum, including the foundation phase, as the school already provides education in the foundation phase and in key stage 2.

The proposer has completed an equality assessment for all possible options. It is reasonable to believe that the proposal will not have a negative effect on the provision that is provided for pupils with additional learning needs, or for individual groups of pupils or any groups with protected characteristics.

The proposer has considered the outcomes of Estyn's most recent reports for the three schools effectively. It also states in which category the schools have been placed by the consortium, and there is a concise and clear explanation of the quality of leadership and managements at the three schools.

The proposer has provided tables that show the percentage of pupils who achieve the expected outcome in key stage 2 for Ysgol y Garnedd and Ysgol Glanadda, and the foundation phase for Ysgol Fabanod Coedmawr. They show the corresponding figures for Gwynedd and Wales for 2017. However, the provider has not provided a concise analysis of the schools' performance.

I welcome the construction of a new school for Ysgol Y Garnedd. The plans address most of the concerns I have about the current building. However, I am concerned that the pupils will not have sufficient access to grass/playing fields during break times. The outside area available

As residents whose home backs onto the proposed new building, we are very concerned with the visual impact of the elevation of the outlined structure. No landscaping to minimise the visual impact from our property & adjoining properties, has, at this stage, been included on the plans.

Subject: Re: Ymgynghoriad Ysgolion Dalgylch Bangor

Diolch am gydnabod fy'm sylwadau.

Hwyrach y dylwn ymhelaethu chydig ar y sylw gan mai beth ddywedais, os wy'n cofio, oedd bod angen crosfan(nau) ar ffordd penrhos. Mewn gwirionedd rwyn credu bod angen ystyried yn ehangach na hynny a rhoi sylw i hyrwyddo y llwybrau cerdded i'r ysgolion, er mwyn lleihau defnydd o'r ceir ayb. Efen angenrheidiol o hynny yw diogelwch wrth gwrs ond hefyd rhoi ysgogiad i'r rhieni ddewis cerdded fel yr opsiwn gyntaf. Byddai pethau syml fel cyfarwyddiadau ar belmentydd a'r manau croesi y ffyrdd lai yn ogystal a'r prif ffyrdd yn gallu creu yr awydd a'r tawelwch meddwl fod amryw yn defnyddio yr un llwybrau - ond nid wyf wrth gwrs yn honni bod ag arbennigedd ar y fath bwnc.

Y peth pwysig yw bod yr ystyriaethau yma yn cael eu cynnwys o'r cychwn ac nid fel rhyw ol-atodiad yn hwyr yn y dydd. Wrth gael eu cynnwys yn y cynllun gwreiddiol yna gellid sicrhau bod cyllid perthasol yng nghyllid y cynllun.

Fe wyddoch hefyd bod dinas Bangor yn disgwyl denu arian o gynllun gwella adnoddau canol y dref a byddai cysoni yr anghenion yr ysgolion gyda rhai o'r cynlluniau yna yn gallu arwain at drawsnewid cerdded yn y ddinas.

Yn ogystal a bod wedi ymweld a'r cyflwyniad yn neuadd Reichel fel taid i blant yn yr ysgolion, rwyf hefyd ar gyngor y ddinas dros ward Glyder ac rydym fel cyngor wedi bod yn pwysu i ehangu yn sylweddol ardaloedd cyfyngu cyflymdra cerbau i 20mya. Os yw mwy o blant i'w hysgogi i gerdded yna byddai hynny ynddo ei hyn yn gyfraniad mawr, ac felly awgrymaf eich bod yn rhoi pwysau ar yr adran briffyrdd i wneud argymhellion perthnasol yn y mater yna. Ymddiheuraf am beido gallu bod yn bresenol yn y cyflwyniad i gyngor y ddinas nos lun.

Debyg bod y sylwadau uchod yn berthnasol i holl newidiadau a awgrymir i ysgolion Bangor i gyd ac nid i sefyllfa Garnedd/Glanadd/Coed Mawr yn unig.

Diolch am eich gwaith

gwynant roberts

Parthed: Ad-drefnu Addysg Gynradd Bangor.

Ym mis Mawrth 2018 cyflwynodd y Cyngorydd Gareth Thomas, Deilydd Portffolio Addysg Cyngor Gwynedd, adroddiad yn ceisio caniatâd Cabinet y Cyngor i frwr ymlaen â chynnal ymgynghoriad statudol i broses ad-drefnu addysg gynradd ardal Bangor. Y penderfyniadau a geisiwyd gan y Cabinet oedd:

- Cynnal ymgynghoriad statudol, yn unol ag Adran 48 Deddf Safonau a Threfniadaeth Ysgolion (Cymru) 2013, yn nalgylch Bangor ar gynnig i gau ysgolion Glanadda a Choed Mawr ar 31 Awst 2020, a chynnig lle i'r disgyblion yn Ysgol y Garnedd (yn ddarostyngedig ar ddewis rhieni); a chynyddu capasiti Ysgol y Garnedd i 420.
- Cynnal rhag-ymgynghoriad gyda'r Eglwys yng Nghymru yn ymwneud a chynyddu capasiti Ysgol y Faenol i 315 yn unol â gofynion Cod Trefniadaeth Ysgolion 2013 ac adrodd ar y canlyniadau i'r Cabinet.

Yr oedd amryw resymau dros y cais hwn, ond gellir crynhoi fel a ganlyn:

- Y mae dwy ysgol Penrhosgarnedd, sef y Garnedd a'r Faenol, â rhagor o ddisgyblion nag y'u bwriadwyd ar eu cyfer, yn enwedig Ysgol y Garnedd, a ddynodwyd yn benodol yn ysgol gynradd cyfrwng Cymraeg ar gyfer ardal Bangor gyfan. Ni fwriadwyd adeiladau'r ysgol honno ar gyfer ei niferoedd presennol, ac nid yw eu cyflwr o'r gorau.
- Mae datblygiadau preswyl ym Mangor, ac yn benodol codi ystâd Goetre Uchaf ym Mhenrhosgarnedd, yn debyg o gynyddu'r pwysau ar yr ysgolion hyn. Cafwyd £1,115,387 gan Redrow, datblygwyr Goetre Uchaf, at addasu'r ddarpariaeth addysgol oed cynradd ym Mangor.
- Mae ysgolion Ffederasiwn Bro Ddewi (Glanadda a Choed Mawr), ar y llaw arall, yn agos hanner gwag oherwydd gostyngiad sylweddol yn nifer y disgyblion yn ystod y blynyddoedd diwethaf. Mae niferoedd y plant sy'n mynychu'r ysgolion hyn yn awr ar eu hisaf ers 25 mlynedd, ac y mae rhagor o blant eu dalgylchoedd yn mynychu Ysgol y Garnedd nag y sy'n eu mynychu hwy.

2.

- Mae Ysgol Glanadda mewn cyflwr go dda: nid yw Coed Mawr cystal. Nid yw eu hystafelloedd dosbarth yn unol â safonau presennol, ac nid oes pennaeth parhaol yn y naill na'r llall. Yn hytrach, mae Pennaeth mewn gofal tros dro, a dau Bennaeth Cynorthwyol. Mae hynny'n ateb tymor byr drud iawn. Yn 2018/19 a 2019/20 bydd yr ysgolion hyn yn wynebu trafferthion ariannol na ellir eu datrys ond trwy ad-drefnu'r staffio, ac efallai symud y plant i safle dros dro.
- Mae'r gost fesul disgybl ym mwyafrif ysgolion cynradd dalgylch Bangor ychydig yn is na'r cyfartaledd sirol o £3,777, gydag ysgolion Coed Mawr (£6,525) a Glanadda (£5,052) yn sylweddol uwch. Cost fesul disgybl Ysgol y Garnedd yw £3,111. Mae Ysgol Babanod Coed Mawr yn derbyn £32,520 o gyllid ychwanegol blynyddol trwy'r "rhwyd-diogelu lleiafswm staffio".

Er mwyn ceisio datrys yr anawsterau presennol, a gwneud y gorau o arian Redrow, y mae Cyngor Gwynedd yn awr yn ymgynghori ynghylch tri dewis posibl (allan o restr wreiddiol o 13 opsiwn) ar gyfer yr ad-drefnu arfaethedig, sef ynteu:

- Parhau â'r drefn bresennol; neu
- Opsiwn 3. Ymestyn y Faenol i gynyddu'r capasiti o 186 i 315. Ysgol newydd i'r Garnedd gan gynyddu'r capasiti o 210 i 420. Cau Ysgol Coed Mawr a Glanadda. Cynyddu capasiti Glancegin i dderbyn plant cyfnod sylfaen ychwanegol. Gwelliannau i rannau adeilad Ysgol Hirael. Ystyriaeth i'r ddarpariaeth Uwchradd gan gynnwys cyflwr yr adeiladau presennol ac adeilad newydd ar gyfer Ysgol Ein Harglwyddes; neu
- Opsiwn 10. Cynyddu capasiti'r Faenol i 315. Symud y Garnedd i safle newydd a chodi'r capasiti i 330. Addasu safle Glanadda i dderbyn plant Coed Mawr (90). Cynyddu capasiti Glancegin i dderbyn plant cyfnod sylfaen ychwanegol. Gwelliannau i rannau adeilad Ysgol Hirael. Ystyriaeth i'r ddarpariaeth Uwchradd gan gynnwys cyflwr yr adeiladau presennol ac adeilad newydd ar gyfer Ysgol Ein Harglwyddes.

Opsiwn 3 yw'r dewis a ffefrir gan Gyngor Gwynedd. Golygai, wedi'r uno, y byddai 17% o ddisgyblion y Garnedd yn gyn-ddisgyblion ysgolion Coed Mawr neu Glanadda.

Sylwadau.

Cydnabyddir bod Ysgol y Garnedd, ysgol cyfrwng-Cymraeg benodol, wedi llwyddo i gyflawni ei hamcan ers ei hgor ddeugain mlynedd yn ôl, ac y mae ei phoblogrwydd amlwg yn tystio i safon yr addysg a geir yno ac i ymroddiad ei hathrawon a'i gweithwyr eraill o dan amgylchiadau anodd. A sefyllfa'r Gymraeg yn ardal Bangor mor fregus, y mae'n hanfodol nad yw'r ad-drefnu arfaethedig yn amharu dim ar allu'r ysgol i sicrhau nid yn unig fod y plant yn llwyddo'n academiaidd trwy gyfrwng y Gymraeg, ond hefyd yn mwynhau awyrgylch lle y gallant ac y dymunant gymdeithasu'n rhwydd trwy gyfrwng y Gymraeg ag athrawon a'u cyd-ddisgyblion, yn yr ysgol a thu allan. Nid ar chwarae bach mae cyflawni hynny ar adeg pan fo'r Saesneg mor hollbresennol a dylanwadol.

Fe dâl inni felly ystyried y darlun a gyflwynir yn yr Asesiad Effaith Ieithyddol ac Ardrawiad Cymunedol a baratowyd gan Gyngor Gwynedd yn unswydd ar gyfer yr ymgynghoriad.

[- Ddim yn berthnasol]

Fel y gellir gweld, y mae canlyniadau academaidd disgyblion ysgolion Glanadda a Choed Mawr, er nad ydynt cystal â rhai'r Garnedd wedi cynyddu'n sylweddol er 2012, a hynny o dan y drefn bresennol.

Defnydd disgyblion o'r Gymraeg.

Ym mhob sefyllfa, felly, mae plant Glanadda yn llai tebygol o siarad Cymraeg yn gyson ag eraill.

Maent yn fwy tebygol o'i defnyddio â'r rhai sydd ag awdurdod drostynt, sef yr athrawon a'r cymhorthyddion: ond nid cymaint â gweddill staff yr ysgol, nac â phlant eraill, hyd yn oed yng nghydestun ffurfiol y dosbarth. Mewn geiriau eraill, mae plant Ysgol Glanadda yn llai tebyg o gymdeithasu trwy'r Gymraeg.

Ar y llaw arall, "Ysgol y Garnedd yw'r unig ysgol yn nalgylch Bangor lle mae'r mwyafrif o ddisgyblion yn siarad Cymraeg 'bob amser' ar yr iard yn ogystal ac hefo athrawon a staff yr ysgol." (Asesiad, t. 11) Y mae'r gwahaniaeth rhwng y ddwy ysgol yng nghanran y rhai sy'n siarad Cymraeg "bob amser" ac "weithiau" ar fuarth yr ysgol yn tanlinellu hynny.

Ceir tystiolaeth ychwanegol yn adroddiad Estyn ynghylch Ysgol Glanadda yn 2013, lle y datganwyd fod angen "Codi safonau yn y Gymraeg", a bod y plant "yn cyfrannu'n hyderus ac yn synhwyrol i drafodaethau grŵp yn y Saesneg. Serch hynny, nid yw medrau llafar Cymraeg llawer o'r disgyblion yn datblygu'n ddigonol erbyn diwedd cyfnod allweddol 2 ac nid oes ganddynt yr hyder i gyfrannu'n effeithiol i drafodaeth yn y Gymraeg." (Asesiad, tt.13-14) Onid oes gan blentyn mo'r hyder i ddefnyddio'r Gymraeg yn ystod gwers, gellid tybio nad honno fyddai'r iaith a dewisai ar gyfer cymdeithasu anffurfiol.

Anhawster arall y mae plant Ysgol Glanadda yn ei wynebu wrth geisio cymdeithasu trwy'r Gymraeg y tu allan i'r ysgol yw bod cyn lleied ohonynt yn dod o gartrefi lle siaredir Cymraeg:

Cefndir ieithyddol y Plant. (Asesiad, t.12)

Ysgol	Yn siarad Cymraeg gartref (%)
Glanadda	22.58
Y Garnedd	67.26

5.

Gwrthgyferbynnir hynny ag Ysgol y Garnedd, lle y dywedodd adroddiad Estyn ym 2012 bod:

“Daw 67% o’r disgyblion o gartrefi lle siaredir Cymraeg, a siarada tua 95% o’r disgyblion Gymraeg fel iaith gyntaf neu i safon gyfwerth.” (Asesiad, t. 15)

Nid “bai” plant Ysgol Glanadda yw eu bod yn fwy tueddol i gyfathrebu trwy’r Saesneg. Y gwir yn achos plant Cymru oll yw bod ffactorau ar waith - megis iaith yr aelwyd, a dylanwad cyfryngau torfol a chymdeithasol, er enghraifft -sydd yn debyg o fod yn gryfach na gobeithion swyddogion addysg ac ymdrechion athrawon.

7. Canran y plant sy’n hyderus wrth siarad Cymraeg. (Asesiad, t.11, Tabl 10)

Ysgol	Hyderus iawn	Hyderus	Gweddol hyderus	Ddim yn hyderus	Ddim yn hyderus o gwbl
Glanadda	59.5	21.4	7.1	9.5	2.4
Y Garnedd	78.8	11.9	6.3	1.9	1.3

Polisi iaith Cyngor Gwynedd mewn perthynas ag ysgolion cynradd yw “*datblygu gallu pob disgybl i fod yn hyderus yn y ddwy iaith erbyn diwedd CA2.*” (Asesiad, t.4, 1.2) Mae hyder yn bwysig iawn, wrth gwrs, ond yn haniaethol, yn anodd ei fesur ag unrhyw sicrwydd, ac yn amrywio o sefyllfa i sefyllfa; felly ni ddylid priodoli gormod iddo.

Yr hyn y mae’n ei adlewyrchu yn y sefyllfa neilltuol hon, mewn gwirionedd, yw pa mor rhugl yw plentyn yn y Gymraeg. O ruglder, o’r gallu i ddeall a thrin a defnyddio iaith, y mae’r hyder yn codi, os o unrhyw le.

8. Canran y plant sy’n meddwl ei bod hi’n bwysig siarad Cymraeg. (Asesiad, t.11, Tabl 3)

Ysgol	Pwysig iawn	Pwysig	Gweddol bwysig	Ddim yn bwysig	Ddim yn bwysig o gwbl
Glanadda	95.2	4.8	0	0	0
Y Garnedd	84.4	11.9	3.8	0	0

Calonogol yw gweld bod canrannau’r rhai sy’n meddwl ei bod yn bwysig iawn siarad Cymraeg cyfuwch, a bod rhai Ysgol Glanadda nid yn unig yn rhagori ar Ysgol y Garnedd, ond ar holl ysgolion eraill y dalgylch. Yr anhawster yw nad yw ymdeimlad o “bwysigrwydd” o raid yn sbarduno’r awydd i weithredu. Gellir cytuno bod rhywbeth yn bwysig, ond heb yr ewyllys neu’r gallu i weithredu o ganlyniad i’r canfyddiad hwnnw, nid yw dim yn newid.

Gallai’r canran uchel dystio i’r argraff a gaiff disgyblion yn sgil y pwys amlwg y mae athrawon a staff yr ysgol yn ei roi ar y Gymraeg, ond fel y gwelwyd eisoes, nid yw hynny’n golygu bod plant yn gwneud ymdrech gyson i siarad Cymraeg â’i gilydd y tu allan i’r ystafell ddosbarth. Mewn geiriau eraill mae rhagor rhwng proffes a gweithred, ac awgryma canlyniadau cyntaf ymchwil gan y Dr Siôn Aled Owen yn y Bala a mannau eraill, er enghraifft, y gall plant fod ag agweddau cadarnhaol iawn tuag at y Gymraeg, ond eto dewis cymdeithasu trwy’r Saesneg. (S. A. Owen, cyfathrebiad personol)

Casgliad yr Asesiad.

Yn ôl yr Asesiad (tt. 18-19):

"Mae'n anodd darogan unrhyw effaith ar yr iaith Gymraeg o unrhyw gynllun. Ar hyn o bryd mae nifer o aelwydydd Cymraeg ardal Bangor yn penderfynu danfon eu plant i Ysgol y Garnedd sydd, yn draddodiadol, wedi cael ei gweld fel yr ysgol fwyaf Cymreig yn yr ardal."

Nifer go fawr, ag ystyried bod yno 338 o blant: ac nid yw hynny'n syndod, oherwydd fe sefydlwyd yr ysgol yn unswydd megis ysgol cyfrwng Cymraeg.

"Wrth gynyddu capasiti Ysgol y Garnedd mae disgwyl y bydd mwy o blant o aelwydydd di-Gymraeg yn mynychu'r ysgol."

"Mae'n anodd gweld os gall yr ysgol ddylanwadu ar iaith y buarth gyda'r gwahaniaeth yn y defnydd o'r Gymraeg yn y dosbarth ac ar yr iard mewn rhai ysgolion yn fawr. Mae'n bosib felly y byddai cynyddu capasiti Ysgol y Garnedd yn lleihau'r nifer sydd yn siarad Cymraeg 'bob amser' ar yr iard am gyfnod. Byddai cynyddu'r capasiti i nifer llai 330 yn lle 420 fel yn opsiwn 10 yn lleihau'r risg yma yn y tymor byr."

Mae nid yn unig yn "bosib", ond yn debygol. Ni ellir disgwyl i blant sydd wedi siarad Saesneg ar fuarth yr ysgol droi, dros nos megis, at ddefnyddio'r Gymraeg i'r perwyl hwnnw. Y perygl yw na wŷr neb pa mor hir y byddai'r "cyfnod". Fel y dengys Tabl 6 uchod, y mae yn Ysgol y Garnedd eisoes ganran o 20% o blant nad ydynt bob amser yn siarad Cymraeg ar fuarth yr ysgol.

Prin y gellid disgwyl i ddyfodiad nifer sylweddol o blant nad yw eu mwyafrif ond yn siarad Cymraeg "weithiau" neu "ychydig iawn" ar fuarth yr ysgol, ac nid byth "bob amser", gynyddu'r ganran honno, ac fe allai arwain at leihau'r ganran am gyfnod amhenodol. Byddai hynny, wrth gwrs, ag oblygiadau hirdymor ar gyfer y defnydd o'r Gymraeg y tu allan i'r ysgol.

"O ystyried bod y rhan fwyaf o ddisgyblion Glanadda yn hyderus yn siarad Cymraeg, yn meddwl bod siarad Cymraeg yn bwysig ac yn siarad Cymraeg 'bob amser' gyda'u hathrawon mae'n debygol y byddent yn gyffyrddus yn niwylliant Cymraeg Ysgol y Garnedd a ddim yn newid iaith y dosbarth yn ormodol."

Fel y gwelsom, y mae adroddiad Estyn 2012 ynghylch Ysgol Glanadda, a'r canran plant yno sydd (yn ôl ystadegau Cyngor Gwynedd) yn "hyderus" neu'n "hyderus iawn" wrth ddefnyddio'r Gymraeg, fel petaent yn croesddweud ei gilydd. Efallai y bu gwelliant sylweddol yno er 2012, fel yr awgryma Tabl 2 uchod. Ni ellir llai na sylwi, fodd bynnag, ar y gwahaniaethau amlwg rhwng canrannau amllder defnyddio'r Gymraeg y ddwy ysgol, boed hynny gyda'r athrawon, y cymhorthyddion, gweddill y staff ac, yn neilltuol, gyda phlant eraill yn y dosbarth ac yn y coridor/neuadd ginio. Fel y dywed yr Asesiad:

"...cydnabyddir fod naws a diwylliant Cymreig yr ysgolion cynradd ym Mangor yn amrywio...Adlewyrchir yr amrywiaeth hwn bennaf yn y defnydd a wneir o'r Gymraeg mewn cyd-destunau anffurfiol a chymdeithasol."

ac yn ôl ymchwilwyr i'r pwnc:

"Ond y broblem yw nad yw'r ffaith bod plant yn dysgu'r Gymraeg yn golygu y byddant yn defnyddio'r iaith y tu allan i'r ysgol. Bu twf rhyfeddol yn y canran o siaradwyr Cymraeg ymhlith plant 3 i 15 mlwydd oed ym 1991 a 2001 ond ni welwyd y cynnydd yn parhau i'r grŵp oedran nesaf. Dangosodd sawl astudiaeth ar draws Cymru duedd plant i beidio â defnyddio'r Gymraeg, yn enwedig yn yr ardaloedd lle nad yw'r Gymraeg yn amlwg yn y gymuned.

Argymhelliad Asesiad Cyngor Gwynedd. (Asesiad, t.19)

Ar y naill law, dywed yr Asesiad:

"Wrth gwrs, nid yw cyfuno'r data yn y modd yma yn rhoi darlun broffwyd perffaith o beth fyddai'n digwydd, ac nid yw'n cymryd i ystyriaeth y dylanwad y mae disgyblion eraill, athrawon a'r amgylchedd yn eu cael ar ddefnydd disgyblion o'r iaith...Mae mwyafrif sylweddol o ymatebwyr yn parhau i siarad Cymraeg 'bob amser' yn y gwahanol sefyllfaoedd. Mae hyn yn argoeli'n dda ar gyfer yr iaith Gymraeg yn Ysgol y Garnedd petai disgyblion Glanadda yn mynychu. Mae'n edrych fel bydd diwylliant cryf o siarad Cymraeg yno a fydd yn hybu holl ddisgyblion yr ysgol i siarad Cymraeg...."

ond ar y llaw arall:

"...gallai cynyddu niferoedd Ysgol y Garnedd i dderbyn disgyblion Ysgol Glanadda arwain at ostyngiad yn y defnydd cymdeithasol a wneir o'r Gymraeg yn Ysgol y Garnedd, ac yn arbennig felly ar yr iard."

Y mae hynny'n bwysig, oherwydd iaith y buarth yw iaith cymdeithasu'r plant nid yn unig yn yr ysgol gynradd ond y tu allan iddi ac o hynny ymlaen, gan amlaf. Unwaith y mae'r defnydd cymdeithasol o'r Saesneg wedi'i sefydlu, anodd iawn yw newid hynny wedyn.

Mynegir gobaith awduron yr Asesiad fel a ganlyn:

"Ar sail data yn Atodiad 1, mae'n bosibl rhagweld gostyngiad yn nefnydd cymdeithasol plant o'r Gymraeg. Fodd bynnag, rhagwelir y gallai arweinyddiaeth gref ac ymrwymiad cadarn Ysgol y Garnedd tuag at y Gymraeg gael dylanwad cadarnhaol ar ddisgyblion Ysgol Coedmawr a Glanadda, gyda'r dylanwad hwnnw'n cynyddu dros y blynyddoedd wrth i'r plant gael eu trochi fwyfwy yn niwylliant Ysgol y Garnedd."

Gallai hynny ddigwydd, ond y mae'r un mor debygol o beidio â digwydd. Mae awduron yr Asesiad, i bob golwg, wedi buddsoddi llawer yn y gobaith bod trochi'n bosibl, yn y pen draw, ond y mae'n sobr o brin o fanylion ynghylch sut yr eir i'r afael â'r newid disgwylidig o siarad Saesneg i siarad Cymraeg. Nid oes, i bob golwg, unrhyw gynllun, unrhyw nodau gosodedig, unrhyw amserlen.

Er gwaethaf yr hyderu a'r gobeithio, ac er gwaethaf arweinyddiaeth gref ac ymrwymiad cadarn, hyn a hyn y gall athrawon ei gyflawni o dan yr amgylchiadau presennol. Dywed yr awdurdod hwnnw ar gymdeithaseg iaith, Joshua A. Fishman:

“Mae ar yr hyn sy’n digwydd yn yr ysgol angen cefnogaeth ehangach gartref ac yn y gymuned ehangach os ydym am gyflawni nodau camau cynllunio ieithyddol, er mwyn gwrthdroi bygythiad parhaus newid ieithyddol.”

Posibilrwydd arall (nas amlinellir yn yr Asesiad) yw y byddai’r ad-drefnu arfaethedig yn arwain at newid parhaol yn iaith cymdeithasu plant Ysgol y Garnedd o’r Gymraeg i’r Saesneg. Gyda sefyllfa’r Gymraeg mor fregus, ni fyddai angen llawer i beri i hynny ddigwydd, a gallai gwireddu’r bwriad i gyfuno’r ysgolion hyn ddarparu’r ysgogiad angenrheidiol.

Os cofiwch, bu’r tebygrwydd y byddai datblygiad arfaethedig Morbaine ym Mhen-y-ffridd yn peri newid iaith buarth Ysol y Garnedd o’r Gymraeg i’r Saesneg, fel y cyfaddefodd Gwasanaeth Cynllunio Gwynedd ar y pryd, yn un o’r ffactorau ddarfu godi cymaint o wrthwynebiad i’r cynllun. Rŵan mae’r Cyngor ei hun fel petai’n fodlon mentro hynny trwy gyfrwng yr ad-drefnu arfaethedig.

Mae dau beth arall i’w crybwyll. Yn gyntaf, gwnaed yr Asesiad gan Gyngor Gwynedd ei hun. Tybiai rhywun y dylid bod wedi gofyn i asiantaeth allanol gyda gwybodaeth arbenigol am gymdiethaseg iaith, er mwyn bod yn wrthrychol ac yn amhleidiol. Nid yw’n eglur, hyd yn oed, a ofynwyd barn Uned iaith y Cyngor na Hunaniaith: nid yw’n edrych fel pe gwnaed. I bob diben, mae’r rhai sy’n gyfrifol am yr ad-drefnu arfaethedig wedi creu cynllun, ei asesu eu hunain, datgan y dewisiadau a’i gwneud yn eglur eu bod yn ffafrio Opsiwn 3.

Yn ail, rhaid ystyried effaith cau Ysgol Glanadda ar y gymuned yno. Mae Glanadda wedi colli dau gapel, eglwys a Swyddfa’r Post. Yr ysgol yw’r unig ganolfan sy’n weddil ar gyfer y gymuned oll.

Efallai y byddai’r ad-drefnu arfaethedig yn arbed peth arian, ond ai dyna unig fesur llwyddiant? Onid yw diwylliant a chymuned yn cyfrif mwy na hynny? Nid oes diben cynilo arian ar draul yr union bethau y dylid ei wario arnynt.

Argymhelliad i Gyngor Gwynedd.

Y mae pawb - cyngorwyr, swyddogion, athrawon, a rhieni - yn gytûn, gobeithio, mai’r nod yw diogelu a hyrwyddo’r Gymraeg fel iaith addysg a chymdeithas ymysg plant y ddwy ysgol fel ei gilydd. Mae Ysgol y Garnedd wedi ac yn gwneud hynny er gwaethaf amgylchiadau anodd, a dengys ffigurau Cyngor Gwynedd y bu cynnydd sylweddol i’r cyfeiriad hwnnw yn Ysgol Glanadda er 2012. Gellir derbyn, felly, bod y drefn bresennol yn eithaf llwyddiannus, ag ystyried yr amgylchiadau.

Y mae hynny’n rheswm cryf dros beidio â’i newid, a mentro ar drywydd a allai weld dadwneud llawer o waith da yn y tymor byr, onid y tymor hwy. Awgrymwn, felly, y dylai aelodau’r Cyngor gefnogi’r opsiwn sydd yn ymyrryd lleiaf â’r sefyllfa bresennol, sef Opsiwn 10:

“Cynyddu capasiti’r Faenol i 315. Symud y Garnedd i safle newydd a chodi’r capasiti i 330. Addasu safle Glanadda i dderbyn plant Coed Mawr (90). Cynyddu capasiti Gllancegin i dderbyn plant cyfnod sylfaen ychwanegol. Gwelliannau i rannau adeilad Ysgol Hiracl. Ystyriaeth i’r ddarpariaeth Uwchradd gan gynnwys cyflwr yr adeiladau presennol ac adeilad newydd ar gyfer Ysgol Ein Harglwyddes.”

I agree that the council can publish my response, after removing my personal information.

I would like to highlight some information in the consultation document that I have concerns about.

1 - My understanding that any children with additional educational needs will be removed from Garnedd to Glan Cegin, is this correct? If it is correct the distrusting of moving the children would be incredible.

2 - Page 23 of the document "It would be a matter for the governors of Ysgol Y Garnedd to determine the size and distribution of school resources" however on page 32 "It's not anticipated that there would be no changes to the current staffing structure at Ysgol Y Garnedd" it will be a bigger school with bigger classes and more children in each year but the amount of teachers will stay the same.

3 - Page 32, this table is incorrect, the school has a Cylch Meithrin and a school holiday club, it might not be on the same site as the main school but it's there and it's very popular, please don't forget about it.

4 - Page 27 "provide an all-weather play area with a tarmac surface" I'm concerned that the school will no longer have a grass playing fields for break times, rugby/football or sports days, also see daily post 18th April 2018, and how a tarmac playing area can be dangerous if not thought out properly, please consider keeping the current playing field and with proper drainage it can be used all year, I understand that removing any green areas from the school would save money on grass cutting but it would have an affect on the health and Wellbeing of the children.

5 - Please consider the traffic in the area when planning and especially building.

6 - the location of the new building should also be carefully considered with its close location to Ysgol Friars, and the disruption this could be caused by junior and secondary school children being so close by during outside play and lessons.

I would like to see option 10 being taken up and turn Bangor into an area of excellence for sports in north wales and produce elite athletes of the future

Regards

Having considered the proposals which I hope will benefit the community schools in Bangor, I must, in accordance with the proposals published under Section 48 of the School Standards and Organisation Act 2013, set out my objections and concerns.

- The proposal which focuses on the reorganisation of Bangor schools fails to include the Catholic school in its plans for the future whilst setting out the future for community schools, their improvement and their cohesion.
- The proposal is not inclusive because it offers no recognition of right of place within the provision and removes the Catholic school from the overall solution and strategic direction.
- The proposals fails to value or regard the contribution of Catholic education that has served Bangor now for over 150 years.
- This proposals fail to recognise the legal and legitimate place of Catholic voluntary aided provision and parental choice.
- The Diocese of Wrexham and other school representatives have attended all the consultation meetings to speak up for Catholic education. The papers below are attached as evidence of our concerns. At no point has there been any attempt beyond lip-service to include or to secure the school's place and provision for the future.
- The proposal fails to respect the Welsh Government's document ' Faith in Education
- The proposals give the impression that our Lady's school is not geographically in the heart of Bangor when clearly it is. This is a distortion of fact

The proposal fails to provide "appropriate data" on two counts;

- Our Lady's School is described simply as having less than the national average free school meals children. In fact this school is the most inclusive and diverse school in the area which is highly significant. (See Estyn Report 2018)
- The assessment of the capacity for the new schools is flawed in that it has not sought data, nor estimated data, from families who would prefer to choose a Catholic school education. Parents were not asked to declare such an interest. Neither have they been given any direction as to how or where a new Catholic school will be built.
- The local authority declares that it wants a new VA school for free! There is no declaration of responsibility for the funding of a new Catholic school, simply a reference to the Welsh government to fund 85% and the Diocese to fund 15%. That is an impossible burden on the Catholic diocese and sector. At the same time, the LA is willing to pay up to 50% for the building of its community schools.

I can only conclude that these proposals are anti- Catholic and that is a matter of grave concern.

Review of Bangor Schools for the 21st Century: A statement on Behalf of the Governors, Head Teacher and Catholic Diocese of Wrexham.

Background

Our Lady's School is the only VA Catholic Primary school in Bangor and for surrounding areas. The first Catholic school in Bangor was founded in 1870 and was soon too small to meet the demand for places. Our present school was commissioned and completed on December 23rd 1889. Apart from some modifications over time to the kitchen and the school hall, the school remains the original and by the start of Band B in 2019, it will reach its 130th year as our main school building.

Here in Bangor, the need for a new Catholic school cannot be overstated and the Church is committed to keeping its historic place here as a provider of education. We are proud to serve the families in Bangor and to contribute to the Common Good. We are deliberately inclusive and welcoming to all. We have families from all over the world with many languages and cultures, who are well supported in our school and active members of our school community. Currently 60% of our school population has English as an additional language and four families are refugees from Syria.

We reach out and help to build and strengthen the wider community on many levels. We work closely with the Catholic parishes of Bangor and Caernarfon and with other schools, with the Rotarians of Bangor and Anglesey. We have reached to and worked hard with the Confucius Institute; we work to contribute to our community and now we have our Confucius Classroom status. We support the children's sacramental preparation and sometimes we sing together to raise money. We have the first 'Rotakids' group in Bangor who are actively fundraising and supporting community projects. The local food bank is supported regularly, as are national and international charities. We are here for the local community, to help everyone feel they belong. We have won Welsh heritage awards for the last three years in our whole school work on different history topics. This last year was named "Peace in Wales". We have a strong school community in which pupils respect each other and value difference. They can learn well and reflect and share in acts of worship to God. Families of all religions choose our school because they see and like the values we teach and live. Our Religious Education curriculum underpins all we do here in school and on a day to day basis, children and staff experience a living faith, respecting the uniqueness of each individual, their dignity and their struggles. Our values help create a climate in which everyone is included and can grow and feel part of the school community. Parents believe that the children benefit from teaching and learning that respects diversity and the values that are lived in the school and in the families. This is despite the real limitations of the site and the day to day problems it so often brings.

The need for a new school for Our Lady's has been identified for many years. We want the best for all pupils of Bangor, including our own. We wholeheartedly support the aims of "Strategy Programme –Towards 2025". We see that our building and the site is a serious impediment to our vision for education including our need to extend provision to 3 year olds. The building seriously restricts and inhibits the learning experiences provided, there are serious access issues, a busy narrow road where heavy lorries and traffic wait, no doubt pollutes, and is a dangerous spot for parents and children. The arrival space is very limited and the school is set on a steep incline with difficulties for parents, for pushchairs, raising DDA problems. The foundation phase facilities are inadequate; drainage and toilets are problematic and the school building is simply antiquated and

not adaptable. This has frustrated much of our ambition to play our fullest part as a school in Bangor. The Diocese, the governors and the school community want to offer the very best education as a faith-based school. We want that opportunity for our parents and the school site and buildings to make the 21st Century provision real. We ask Gwynedd County Council and officers to respect our place in school organisation and to support us equitably in providing faith-based education for the parents and families who wish to choose that option.

All families have a right to choose a faith education for their children. We are also oversubscribed, as noted in the cabinet meeting of 17th January, showing parents and families are making this choice for their children, despite our accommodation issues.

We ask then for recognition that some families who will be moving in to new developments in Bangor will also want to choose a Catholic school for their children. The assumption, that the new development will only affect the two schools nearest to them is not correct or fair.

We need to be considered seriously in the new developments for Bangor and we respectfully ask for that recognition.

Thank you

Mae NASUWT yn croesawu y cyfle i ymgynghori ar y broses o ad-drefnu addysg yn ninas Bangor. Rydym am gadw ein sylwadau i gyd-destyn staffio ac ymdriniaeth y gweithlu yn unig.

Rydym yn nodi fod ystyriaeth lawn wedi ei wneud ar gyfer lles ac amodau gwaith peneithiaid yn y ddogfen ac yr unig ystyriaeth i les ac amodau gwaith athrawon ydy'r effaith o ddosbarthiadau maint llai o ran niferoedd.

Mae'r ddogfen yn nodi bydd cau Coed Mawr a Glan Adda yn golygu bydd diswyddiadau. Bydd disgyblion y ddwy ysgol yma, yn debygol, yn symud i'r ysgol newydd. Bydd felly angen rhagor o staff ar yr ysgol newydd ar gyfer y cynnydd mewn disgyblion ac hefyd y dyhead uchod o gael maint dosbarthiadau yn llai. Mae NASUWT yn synnu fod yna ddim ystyriaeth wedi bod i'r dull yma o ymdrin â staff.

Mae cyfle yma i fedru defnyddio staff Coed Mawr a Glan Adda i ddiwallu dyhead yr ysgol newydd yn llawn. Bydd hyn yn lleihau yn fawr ar yr angen i ddiswyddiadau gorfodol; bydd yn sicrhau trosgwlyddiad esmwyth i'r dysgwyr i'r ysgol newydd (gan y bydd wynebaw cyfarwydd yna); bydd yn gallu cyfrannu at ymdeimlad o berchnogaeth o'r ysgol newydd i blant Coed Mawr a Glan Adda a bydd yn sicrhau dosbarthiadau bychain eu maint.

Comments:

I reluctantly support the plan option 3, which is to close Ysgol Glanadda and Coed Mawr and build a large new building for Ysgol Gamedd. I understand that as part of this option, a new building is in the offing for Ysgol Ein Harglwyddes if money is released for Band B. It is sad that Glanadda and Coed Mawr have to be closed. But a larger school funded in part by funds from a new development in the city is a reasonable compromise. However, it is important to provide breath and capacity to serve the educational needs of children in the area and the plan for a new build for Ein Harglwyddes is followed through. At present, the current building housing the school is the oldest (over 125 years) in the city (the next oldest is less than a dozen years) and among the oldest in the county. Given the over-subscription and the popularity of the school's catholic faith based educational provision, I am glad that a new build is finally under consideration.

What parents want, on the whole, is a good, local school for their children. The measures proposed by Gwynedd Council at this time go a long way to address this.

It is recognized that the Garnedd school building has issues which need addressing and that the performance of the Coed Mawr schools has been lower than parents would expect. By building a new, bigger school, both of these issues can be resolved in a cost effective way. However, this will leave the people of Coed Mawr without a local school.

The catchment area for the Garnedd school is the whole of Bangor because, back in the day, it was the only Welsh medium school for the area. Nowadays, all schools in Gwynedd aim to provide excellent Welsh medium education.

Also, the relocation of Cae Top school to the Friars site, at the very edge of their existing catchment area, means that the local school for people of Garth may well be Hiraef School.

Were there to be no changes to the catchment areas, then the people of Coed Mawr would either be at a disadvantage in getting places in Garnedd school because they would be competing with other children around Bangor or they would be at an advantage over everyone else by being given preferential treatment for places in Garnedd.

I would propose that in addition to the closure of the Coed Mawr schools and the rebuilding of the Garnedd school that the catchment areas within Bangor are revised taking into consideration the new locations of schools and also removing the, now unnecessary, whole of Bangor catchment area for Garnedd school. (The whole of Bangor catchment area for Our Ladies should remain as it, uniquely offers a Catholic education.)

Annwyl Gwenno

Diolch am fy nghyfeirio i ysgrifennu.

Deallaf fod modd derbyn sylwadau tan nes mlaen heddiw.

Ogydd a wnewch chi gadarnhau eich bod wedi derbyn fy sylwadau?

Croesawaf yn fawr y newyddion fod ysgol newydd i'r Garnedd: hen bryd: newyddion gwych!

Anghytunaf efo cau ysgolion Glan Adda a Choed Mawr, oherwydd traffig, mynediad i addysg lleol, ymysg rhesymau eraill. Mae *gridlock* ar Ffordd Penrhos fel ag y mae ar adegau brig. Bydd cau'r ysgolion yma ond yn cynyddu'r traffig ac yn gneud teithio yn fwy peryglus. Bydd hyn yn lleihau'r cerddwyr a'r beicwyr oherwydd pryderon rhieni am ddiogelwch.

Mae'r nifer a glustnodwyd i Ysgol y Garnedd yn rhy fawr, ac fe fydd yn anodd iawn cynnal addysg Gymraeg efo niferoedd mor fawr. Mae'r tir a glustnodwyd ar gyfer adeiladu ysgol newydd i'r Garnedd yn wlyb.

Yn ychwanegol, mae angen ysgol newydd ar Ysgol Tryfan, ar fyrder.

Cytuno efo'r angen i gael tiroedd chwaraeon a ellid eu rhannu rhwng ysgolion, gan gynnwys Tryfan.

Gyda llaw, mae'r map a ddangosir yn yr ymgynghoriad yn anghywir gan fod Ysgol y Garnedd yn ward

Glyder (efo Cae Top, Friars a Thryfan). Hefyd mae ward Hendre a Deiniol yn ddwy ward ar wahan ar hyn o bryd.

Hoffwn weld cynlluniau cadarn ar gyfer llwybrau beicio a cherdded diogel i'r ysgol yn cael eu cynnwys yn y cynlluniau.

Sylwadau brys! Wedi cyfrannu i'r cyfarfodydd PAD hefyd.

Diolch

Elin

All decisions have a knock-on effect for all schools
and pupils in Bangor and surrounding area
The current proposals do not give due consideration
to Our Lady's school and will have a major impact
on us.

If these plans proceed without thought for the

future of Our Lady's I feel you will be contravening the Schools standards and Organisation Act 2013 by not treating us fairly. As every school in Bangor will have some improvements made to sustain them for 21st Century. In this case please consider this an objection to the plans rather than a response.

As a response - due care needs to be made to the location of schools for traffic considerations and also parent ease to walk children to school. Allowing Glanadda and Coed Mawr to deteriorate in numbers whilst allowing Garnedd to oversubscribe by so many has also added to the problems in Bangor. These 'historical' decisions have been the fault, in part, of the council. Future decisions need to be fully comprehensive and include all pupils and schools. We are a viable school and a viable choice for parents. We need to be included in the modernisation plans for Bangor now and not put on the back burner again in the 'hope' of more money in the next band. We have been overlooked too many times and for too many years. Please endorse our school as a viable school with definite plans for our future.

Comments:

The condition of our school has been high on the agenda for many years. We have been overlooked for many reasons mostly costs. However there is now money to spend on Bangor Schools. Initially we were not even mentioned in the proposals for Bangor Schools. It was only after phone calls that we were included.

PLEASE CONTINUE OVER

in accordance with section 48 of the School Standards and Organisation Act 2013

Comments:

It is with great disappointment that we are not in with Band A. Our school is over 100 years old our staff and children deserve ^{to be} taught in a school building which is adequate for 21st century curriculum. It is only if money is available will we be included in Band B. This is not acceptable. I feel that we have been left out once again.

Ysgol y Garnedd and Vaynor are the only schools that are going to benefit. This was the plan from the beginning. We are in the catchment area which you did not include us in with the funding you receive from the new housing development. We deserve to be part of this as we ~~do~~ will have potential children from that estate that do want a school that provides a catholic education. Gwynedd Education have allowed ysgol y garnedd to be oversubscribed with over 150 children how has this been allowed to happen. This is why they need a new school and others don't get a look in. No other school would be allowed to do this. We need to be heard we are just as important as any other school. We need to be included in Band ^{A.}

Comments:

Our Lady's is a historic ~~private~~ institution of the
centre of Bangor city and represents the city of
Bangor. It is truly embarrassing that the local council
have over many occasions still not updated or facilitated
the needs of the children of the centre of this
vibrant city. The school needs to be up to the
21st century standards for building work / facilities.
~~The fact that so many children~~ PLEASE CONTINUE OVER

still attend this school shows a clear need for this type of school and there is an obvious demand to improve it in terms of modernisation / safety

(i.e. the location of the school by a busy main road)

Regardless of facilities there are many happy children and parents who attend and are very satisfied with the school's educational standard.

The fact that we are the only school not facilitated in funding by the Council feels almost like discrimination to the fact ~~is~~ the school is a religious one.

Furthermore, have the parents of Glanadda and Coed Mawr been approached about their choice of where they wish their children to go if those schools mentioned were to close? Assuming they would just go to Gwneidd - resulting in a big increase.

embark on a radical streamlining, enhancement and modernisation programme; it would seem fit that all schools are given consideration.

Our Lady's school is currently not fit for the 21st century curriculum and it would be shameful to expect the children educated there, to be housed in a sub standard teaching environment. Emynedd have a responsibility for ALL pupils in the Bangor area, and this includes the pupils of Our Lady's School.

I would ask that consideration be given to include Our Lady's in this current round of proposals, and allow the school to flourish in an environment suited to 21st Century learning.

Comments:

our Ladys School should be ~~revised~~ brought up to the standards of other school buildings, there is always talk about improving standards of other schools yet our Ladys gets left behind and forgotten about. The school teaches the children the best but the building standards let the school down, also the safety of the children on the main road with no fencing on the pavement to prevent an accident is ~~at~~ disgraceful but
PLEASE CONTINUE OVER

Other schools get fencing all around ~~it~~ even taking it up to the school. Caernarfon Road is such a busy road it is just luck that an serious accident hasn't happened up to now. There is no where other than the out dated playground for the children to play and its very crowded when all the school is on the play ground.

The playground is all gritty so when the fall it cuts there skin so bad and leaves stones imbedded into there skin. So improvements on the state of the building to modernize it is needed.

A new build is necessary to continue & enhance the learning experiences of the pupils in our care. The current state & layout of the building is not appropriate for 21st Century education. It provides unnecessary challenges to our role as educators. Our classroom & outdoor space is minimal, ~~and~~ With the proposed closing of schools in the local area, I am concerned that families in the vicinity would want a place in our school.

We support the re-organisation of our lady's school.
because the teacher in the school gave the children a lot of happiness.

Comments: FIRSTLY, I WOULD DRAW YOUR ATTENTION TO THE ABOVE. ALTHOUGH WE REPRESENT THE CATHOLIC COMMUNITY WE ARE ALSO WELSH AND I, PERSONALLY, AM OFFENDED THAT THE ONLY CATHOLIC SCHOOL ON THIS FORM HAS ITS ENGLISH TITLE USED.

NOW ON TO MORE PRESSING MATTERS. AS A PARENT OF A PUPIL AT YSGOL EIN HARGLWYDDDES I WOULD SAY THAT, OF THE OPTIONS PROVIDED/CREATED, OPTION 3 SEEMS MOST LIKELY TO BENEFIT THE LARGEST MAJORITY OF CHILDREN IN THE BANGOR CATCHMENT AREA, HOWEVER, AS WE REPRESENT A FALLING MINORITY (CATHOLICS) IT SEEMS SOMEWHAT UNFAIR TO BE EXCLUDED FROM THE 'BAND A' FUNDING AND TO BE ONLY A 'CONSIDERATION' FOR 'SECONDARY PROVISION'. I WAS A PUPIL AT YSGOL EIN HARGLWYDDDES NEARLY 25 YEARS AGO SO I CAN

RELIABLY STATE THAT THE EXISTING BUILDINGS CERTAINLY NEED SOME IMPROVEMENT. THE 'NEW' MOBILE CLASSROOM WAS ERECTED WHILE I WAS STILL AT SCHOOL, SINCE THEN THE ONLY 'IMPROVEMENTS' TO HAVE BEEN MADE, FOLLOWED ONE OF THE BUILDINGS BEING BURNT AFTER BEING ON FIRE.

WHAT PERPLEXES ME THE MOST IS THAT TWO SCHOOLS, THAT I KNOW OF, ON THIS PROPOSAL HAVE RECENTLY HAD COMPLETELY NEW BUILDINGS, YET THEY ARE BEING CONSIDERED FOR MODIFICATIONS/IMPROVEMENTS IN THIS CURRENT (BAND A) FUNDING.

I UNDERSTAND THAT THIS PROPOSAL REGARDS, PRIMARILY, THE CLOSURE OF YSGOL CED MAWR AND YSGOL Y CARNEAD AND THAT THE CHILDREN AT THE SAID SCHOOLS AND THEIR IMMEDIATE EDUCATION IS TOP PRIORITY, BUT, THERE WILL BE A KNOCK ON EFFECT TO, I IMAGINE, ALL OF THE PRIMARY SCHOOLS IN BANGOR AND I WOULD LIKE THE COUNCIL TO RESPECTFULLY CONSIDER EIM HARGLWYDDIES' REQUIREMENTS IN THE VERY NEAR FUTURE.

P.S. DWI YN IEISIAU YSFRIFENG Y LLYTHUR YN GYMRAEG UND FY NHETMAEG FI DIM YN DA IAWN, MAEN DRWG LEN I. DIOLCH YN FAWR.

P.P.S THE POPULATION AT EIM HARGLWYDDIES IS CULTURALLY DIVERSE, THIS WILL INEVITABLY HAVE A BEARING ON THE PERCENTAGE OF PUPILS WHO SPEAK WELSH AT HOME, HOWEVER, THESE SAME PARENTS ARE VALUABLE MEMBERS OF BANGOR AND THE SURROUNDING AREA. I WOULD NOT LIKE TO THINK THAT THIS WOULD HAVE AN INFLUENCE ON WHERE EIM HARGLWYDDIES POSITIONS ON THE PRIORITIES.

Comments:

Have parents of Granadda and Coed
Maur been asked about their
preferences of where they wish their
child/children to go if those schools
were to close? Or is it being
assumed they would all go to Garnedd?
Hence such a big capacity increase.
Our Lady's provides a good education
to a wide range of catchment areas
in Bangor - has the school been
considered as an option for parents
of Granadda/Coed Maur. If not, why?
If so, should our lady's be having
an increased capacity also? However,
Our Lady's can not be an option in
its current position - full classes and
in need of new build. Surely a
new build for Our Lady's would
support the overflow ~~and~~ currently
being addressed and would be in a
position to be an even stronger option
for parents to make a choice about
their child's education.

We feel that Gwynedd Council and the diocese need to push harder for our kids as it has done for Ysgol Cae Top to ensure all children in the Bangor area receive the same level of education therefore giving all children the best start in life, and also a safer environment for travelling to and from.

The drainage systems are archaic and there is no school field where the children can play football or participate in sports activities. I have worked in the school for 9 years and it is disappointing to know that we are no further ahead now than we were 9 years ago in attaining land or a building that would allow us to move forward with a modern school which would accommodate the needs of our children.

we are concerned that we have not been informed about the building of a new ysgol y Garnedd in the playing fields of Friars school., This will have an impact on the Avenue, with many school children walking up our road and also parents driving up our 'private' road to drop the children off., Rumours of a one way system, driving down into Garnedd and exiting Penrhos Avenue or vice versa., To pull out of Penrhos Avenue is dangerous as many cars speed down Penrhos road and there is a bend. Very dangerous for children to cross there., Thank you in advance, Residents of Penrhos Avenue

Sylwadau ar y cynnig i ad-drefnu ysgolion yn dalgyrch Bangor

Fel Llywodraethwr Ysgol Glanadda ac Ysgol Babanod Coed Mawr teimlaf fod y cynnig o fynd efo opsiwn tri yn hytrach nag opsiwn deg wedi ei selio ar gam ddefnydd o ystadegau. Gan bod nifer y disgyblion yn llai yn yr ysgolion uchod mae mesur fel cost y pen yn mynd i fod yn llawer uwch na'r ysgolion efo mwy o ddisgyblion. Tydi defnyddio hwnnw fel cyfiawnhad am yr opsiwn arall ddim yn gywir ac yn rhoi yr argraff fod y corff llywodraethol ddim hefo rheolaeth ar eu cyllideb sydd eto yn anghywir.

Credaf fod yr opsiwn a awgrymir yn mynd i amddifadu plant ardal eang o Fangor o sefydliad addysgol yn eu cynefin gan yrru plant ifanc i ganol ardal o draffig sydd yn eithriadol brysur yn barod ac nid oes unrhyw ystyriaeth o hynny yn y cynnig. Ymhellach nid oes unrhyw ystyriaeth sylweddol wedi ei wneud i geisio lleihau y traffig ar ffordd Penrhos ac o godi ysgol gyda 420 o ddisgyblion ar safle cyfagos i'r Garnedd tydi hynny ond yn mynd i waethygu y sefyllfa sydd yn annerbynniol yn barod.

Credaf nad yw y cynnig yn hollol deg gyda ysgol Glanadda gan nad oes son bod gan yr ysgol gae chwarae pel droed sydd yn adnodd arbennig.

Ar bwyt cyffredinol teimlaf fod y cynnig a awgrymir yn colli cyfle i wneud gwahaniaeth i sefyllfa draffig y ddinas sydd yn hollol "gridlock" ar brydiau yn y dydd. Dylid rhoi ystyriaeth ddifrifol i ail agor ffordd Bryn Tawel gan adael i draffig ddod oddi ar pont Menai a mynd o gwmpas cylchfan y cae peldroed ac yna i fyny allt Bryn Tawel. Ni fyddai yn or-gostus i wneud a byddai yn rhoi cyfle i bobol gael dewis ychwanegol o fynediad i ysgolion Tryfan, Friars a Cae Top.

purpose for 21st Century Curriculum.
At 128 years old, it's fair to say things are starting to become unrepairable, the building is too small for our needs, especially at this time of year, when we find ourselves having to take our pupils out of school in order that they can full access sports facilities. We do not have the adequate space for our pupils to take part in many school sports, due to having such a small stopping yard. Again, our school hall is far too small to hold all aspects of sports, we certainly couldn't invite parents in to watch their children take part in a sporting event. This is just one example of what we must arrange, in order that our pupils receive a 21st Century standard of education. You state that EVERY school in Bangor must be brought up to standard by September 2020, yet it is suggested that Ysgol Ein Harglwyddes will not receive any money from Band A and therefore will have to wait and see IF money comes through in Band B. For many, many years now we have been overlooked, for various reasons but mainly down to cost, and yet again it feels like we are being overlooked. Gwynedd authority you have a responsibility for all pupils in the Bangor area, that includes OUR CHILDREN here at Ysgol Ein Harglwyddes.

Regards,

Coultte Murray
